

MxC

Retracement N. bdy. of old Camp McDowell Reservation.

Chains

M C in R.
S M P C I R W C 1911 in S.

Land, smooth and sloping to the N.
Soil, 2nd rate, gravelly.
Timber, pale verde and ironwood.
Mesquite brush, greenwood and ontolaw.

- Feb. 20, 1911.

February 21, 1911, at 8h., a.m., l.m.t., S set off $33^{\circ} 42\frac{1}{2}'$ on the lat. arc, $10^{\circ} 46'$ S. on the decl. arc, and determine a meridian with the solar at 2nd mile cor. on the N. bdy. of old Camp McDowell Reservation.

Thence I run

N. $80^{\circ} 17'$ E. on a random lineAlong the 3rd mile, W $\frac{1}{2}$.

2.50 Triangulation point on right bank of Verde River.

To determine the distance across the river

I set a flag on line on a sand bar across the channel for triangulation point. Then from the triangulation point on the East side of the Verde River channel, I measure a base N. $9^{\circ} 43'$ W., 5.00 chs., from which the flag on West bank of channel bears S. $47^{\circ} 22'$ W. Therefore, the distance is the $\tan. 87^{\circ} 5'$ x base or 1.5447×5.00 equal 7.72. 2.50 + 7.72 makes

10.22 Triangulation point on East side of channel.

40.08 Fall 3 lbs. N. of $2\frac{1}{2}$ mile cor., which is a magueis stone $8 \times 10 \times 20$ ins. firmly set, mkd. P L on N. face, Ft McD M R $2\frac{1}{2}$ M on S. face, and witnessed by a mound of stone to the S.

Returned to the 2nd mile cor., which is also the M. C.,

Thence I run

N. $80^{\circ} 17'$ E. on a true lineAlong the 3rd mile, W $\frac{1}{2}$,

Descending left bank of the Verde River, 15 ft. high.

0.20 Point for old M. C. which has been obliterated by erosion.

Now part of bank.

Thence through dense arrow weed over sand bar.

2.50 Enter dangerous quicksand of Verde River, course S.

3.00 Channel, about 5 ft. deep, course S.

9.50 Leave channel, course S.

5

Retracement N. hdy. of old Camp McDowell Reservation.

Chains	
12.00	Enter arrowweed, hrs. N. and S.
14.00	Leave arrow weed, hrs. N. and S., and cross old river bed,
	200 lks. wide, course S.
17.26	Left bank of Verde River, 6 ft. above old river bed.
	Intersect old M. C., a malpais stone 6x12x12 ins. above ground, mkd. M G on W. face.
	from which -
	Mesquite, 8 ins. in diam., hrs. S. 12½° W., 60 lks. dist.
	Old notes call for 6 ins. in diam., S. 12° W., 6 lks. dist.
	No trace of other B. T. No other trees within limits.
	S. of and alongside this M. C., I set an iron post for W. C., with brass cap stamped
	M C W C C McD I R in N. 1911 in S.
	Raise mound of stone 3 ft. base, 2 ft. high, N. of cor.
	Begin ascent of steep bluff, from M. C.
19.00	Top of ascent. Thence along rough, rocky side hill, on S.
	side of deep gulch, which runs Westwardly into river.
27.00	Cross gulch, 200 ft. wide, 60 ft. deep, course NW.
	Begin ascent of ridge.
	No trace of old C. C. of secs. 8 and 9 from the N.
40.08	The 2½ mile cor., S. of and alongside which I set an iron
	post for W. C., with brass cap stamped
	2½ M P C McD I R W C 1911 in S.
	Land, river bed and sand bars, 17.00 chs. Rough, broken
	bluffs, 23.00 chs. Heavy arrow weed on sand bars.
	Soil, sandy river bed, 17 chs. Rocky bluff, 23.00 chs.
	Timber, scattered catalaw and mesquite along river.

	N. 80° 17' E. on a random line
	Along the 3rd mile, N ¼.
40.18	Fall 12 lks. N. of the 3 mile cor., which is a malpais
	stone 4x12x12 ins, above ground, firmly set, mkd. P L
	on N. face, Ft McD M R 3 M on S. face, and witnessed
	by a mound of stone to the S.
	Returning to the 2½ mile cor.,
	Thence I run
	N. 80° 27' E. on a true line
