RE: "Lower Salt River"

Dear commission members:

We, at the Stockyards Restaurant, strongly urge your commission to continue the designation of "non-navigable" where it applies to property owners along the Lower Salt River. This designation is no other than fair, just, and necessary.

Thank you in advance for your continuation of the right given in 1912 to property owners along the Salt River.

Sincerely,

Ted O. Mullen II  
Owner/President, Stockyards Restaurant
