Discussion, "Preferred Directions of Flow on Alluvial Fans" by R.H. French in ASCE Journal of Irrigation and Drainage, April 1992. With J. O'Brien.

"Alluvial Fans: Proposed New Process-Oriented Definitions for Arid Southwest" September/October, 1993, ASCE Journal of Water Resources Planning and Management, Vol. 119, No. 5, p 588-599. With R.H. French (lead author) and S. Waters.

"Hydrological and Paleohydrological Assessment of the 1993 Floods on the Verde River, Central Arizona, 1995," Arizona Geological Survey Open File Report 95-20. With P.K. House (lead author), and P.A. Pearthree.

"An Assessment of the Paleoflood Hydrology Methodology: Analysis of the 1993 Flood on Tonto Creek, Central Arizona," 1996, Arizona Geological Survey Open File Report 96-12. With P.K. House, and P.A. Pearthree, 1996.

Proceedings Papers and Other Publications

"Misapplication of the FEMA Alluvial Fan Model: A Case History," 1990, in Hydraulics/Hydrology of Arid Lands (H2AL): Proceedings of the International Symposium, San Diego, California, July, 1990, R.H. French, editor.

"Application of Geological Information to Arizona Flood Hazard Assessment," 1990, in Hydraulics/Hydrology of Arid Lands (H2AL): Proceedings of the International Symposium, San Diego, California, July, 1990, R.H. French, editor. With V.R. Baker and others.

"The Alluvial Fan Data Collection and Monitoring Study, Maricopa County, Arizona," 1992, in Multi-Objective Approaches to Floodplain Management, Proceedings of the Sixteenth Annual Conference of the Association of State Flood Plain Managers Annual Conference, Grand Rapids, Michigan, May 1992. With S. Waters, S. Walker, and R.H. French.

"Theoretical and Technical Deficiencies in the FEMA Alluvial Fan Model," 1992, in Multi-Objective Approaches to Floodplain Management, Proceedings of the Sixteenth Annual Conference of the Association of State Flood Plain Managers Annual Conference, Grand Rapids, Michigan, May 1992. With R.H. French.

"An Identification Matrix For Defining Types of Alluvial Fans," 1992, in Multi-Objective Approaches to Floodplain Management, Proceedings of the Sixteenth Annual Conference of the Association of State Flood Plain Managers Annual Conference, Grand Rapids, Michigan, May 1992. With P.A. Pearthree.

"Use of Historic Data vs. Engineering Methods in Channel Design," 1992, in Multi-Objective Approaches to Floodplain Management, Proceedings of the Sixteenth Annual Conference of the Association of State Flood Plain Managers Annual Conference, Grand Rapids, Michigan, May 1992.

"Development of a Management and Maintenance Plan for the Reach of the Jordan River Which Extends From the Utah/Salt Lake County Line to 2100 South" 1992. Abstract printed for 3rd Annual NPS Conference, October 1-2, 1992, Salt Lake City, Utah. With C. Bagley.

"The FEMA Alluvial Fan Model: Implications for Land Use and Flood Damage Planning" 1992, Proceedings of the Arid West Conference, Las Vegas, Nevada, December 1992. With R.H. French.

"Different Types of Fluvial Systems on Desert Piedmonts and Their Associated Flood Hazards" 1992, Proceedings of the Arid West Conference, Las Vegas, Nevada, December, 1992. With P.A. Pearthree.

"The Alluvial Fan Data Collection and Monitoring Study: Maricopa County, Arizona" 1992, Proceedings of the Arid West Conference, Las Vegas, Nevada, December 1992. With R.H. French, S. Waters, S. Walker.

"Alluvial Fan: Subset Definitions," 1993, Engineering Hydrology, Proceedings of the ASCE Hydraulics Division Conference, San Francisco, CA July 25-30, 1993. With R.H. French and S. Waters, p. 276-281.

"Management of Riverine Erosion Hazards on the Jordan River, Salt Lake County, Utah," 1993, Proceedings of the American Water Resources Association 29th Annual Conference, August 1993, Tucson, AZ.

"State Ownership of Navigable Watercourses in Arizona," 1993, Proceedings of the American Water Resources Association 29th Annual Conference, August 1993, Tucson, AZ.

"A Definition of Navigability for Arizona Streams," 1993, Arizona Floodplain Management Association Newsletter, Vol. 12, No. 3, September, p. 1-3.

"Identification of and Development Within Sheet Flow Areas," 1993, Arizona Floodplain Management Association Newsletter, Vol. 12, No. 3, September, p. 7.

"Floodway Modeling of Supercritical Streams," 1993, Arizona Floodplain Management Association Newsletter, Vol. 12, No. 3, September, p. 8-9.

“A Definition of Navigability for Arizona Streams,” 1994, Arizona Hydrological Society Fall Symposium, Scottsdale, Arizona.

“ALERT-Based Dam Operations Plan for the Rillito Recharge Project,” 1995, Proceedings of the Arid West Conference, San Diego, California, January, 1995. With J. Fonseca.

“Public Ownership of Navigable Streams and Floodplains,” 1996, Proceedings of the Association of State Flood Plain Managers Conference - Abstracts, San Diego, California, May 1996.

“Use of Geomorphic Data for Assessing Stream Stability at Bridge Structures,” 1996, Proceedings of the American Society of Civil Engineers Conference - Water Resources Division, Anaheim, California, June 1996. With Steve Walker.

“River Stability Study for the City of St. George, Utah,” 1997, Proceedings of the Arid West Conference, Laughlin, Nevada, March 19-21, 1997. With Craig Bagley and Jay Sandberg.

“Geomorphic and Floodplain Evaluation for the Walker River Restoration Project,” 1999, Proceedings of Association of State Flood Plain Managers – National Conference, Portland, Oregon, May 1999.

“Geomorphic Analysis of Flood Control Structure Design: Vicee Canyon Flood of January 1997, Carson City, Nevada,” 1999, Association of State Flood Plain Managers – National Conference, Portland, Oregon, May 1999.

“Geomorphic Analysis of Flood Control Structure Design: Vicee Canyon Flood of January 1997, Carson City, Nevada,” 1999, Association of State Flood Plain Managers - Arid West Conference, November 1999, Laughlin, Nevada.

“Geomorphic and Floodplain Evaluation for the Walker River Restoration Project,” 1999, Association of State Flood Plain Managers - Arid West Conference, November 1999, Laughlin, Nevada.

“Floodplain and Floodway Delineation Using Geomorphology,” 2001, Association of State Flood Plain Managers – Arid West Conference, February, 2001, Albuquerque, New Mexico.

“Floodplain and Floodway Delineation Using Non-Traditional Methods,” 2002, Association of State Flood Plain Managers National Conference, June, 2002, Phoenix, Arizona.

“Application and Assessment of Engineering and Geomorphic Techniques to Predict Riverine Erosion in the Arid Southwest,” 2002, Association of State Flood Plain Managers National Conference, June, 2002, Phoenix, Arizona.

“Geomorphology for Floodplain Managers,” 2003, New Mexico Floodplain Management Association Annual Conference, April 2003, Albuquerque, New Mexico.

Reports

“Cation-Ratio Dating of Geomorphic Surfaces Using Desert Varnish, Sheep Range, Yuma County, Arizona,” 1986, University of Arizona Dept. of Geosciences.

"Late Holocene Flooding within the Salt River Basin, Central Arizona" 1986 University of Arizona, Tucson, Dept. of Geosciences. With J. O'Connor and V.R. Baker.

"Paleoflood Analysis of the Alluvial Salt River," 1986, Tempe and Phoenix, Arizona, M.S Prepublication Manuscript, University of Arizona, Dept. of Geosciences.

"A Paleohydrologic Reconstruction of the October 1983 Flood Discharge of Aravaipa Creek, Arizona" 1986, Report to the Bureau of Land Management -Safford District.

"Hydrologic and Hydraulic Analysis and Recommended Guidelines for Millstone Manor #6, Tucson, Arizona" 1988. Report to the Pima County Flood Control District-Development Division.

"Hydrologic and Hydraulic Report for Sutherland Wash, Pima County, Arizona" 1988. Report to the Pima County Flood Control District-Development Division.

"Hydrologic Investigation for the Lee Moore Wash Watershed, Pima County, Arizona" 1988. Report to the Pima County Flood Control District.

"Hydrologic/Hydraulic Report in Support of Letter of Map Amendment for Woodland Wash, Pima County, Arizona" 1988. Report prepared for the Pima County Flood Control District.

"Black Wash Floodway Study, Sandario Road to Los Reales Road, Pima County, Arizona" June, 1988. Report to the Pima County Flood Control District.

"Felix Floodplain Use Permit Denial: HEC-2 for Santa Cruz River Near Old Nogales Highway" Report to Pima County Flood Control District, November, 1988.

"Floodplain Delineation for Pima Canyon Wash" March, 1989. Report to the Pima County Flood Control District.

"Franco Wash Hydrology Study" 1989. Report to the Pima County Flood Control District.

"Hughes Wash Hydrology Study" 1989. Report to the Pima County Flood Control District.

"Analysis of the Effects of In-Stream Sand and Gravel Mining on Pantano Wash, Pima County, Arizona," 1989, Report to the Pima County Flood Control District^{3/4}Flood Control District Advisory Committee.

"Off-Site Hydrology Report for the Eastern Transportation Corridor-Laguna Interchange (Interstate 5), Orange County, California" November, 1990. Report to the Orange County Transportation Authority/Corridor Design Management Group.

"Hydrologic/Hydraulic Report in Support of a Letter of Map Revision for Avenal, California" 1991. Report to the City of Avenal, California.

"Hydrologic Analysis of Town Wash, Mesquite, Nevada (Clark County), Request for Letter of Map Revision" 1990. Report to the City of Mesquite, Nevada and the Clark County Flood Control District.

"Sediment Engineering Investigation for Coyote Creek, Santa Clara County, California" December, 1991. General Design Memorandum for Coyote Creek Flood Control Project, Appendix B. Report to the U.S. Army Corps of Engineers, Sacramento District and the Santa Clara Valley Water District.

"Off-Site Hydrology Report for State Route 86, Imperial Valley, California" 1992. Report to Caltrans Region VIII. With H. Allen.

"Bridge Hydraulics Report for Tamarack and Trifolium Crossings, State Route 86, Imperial Valley, California" 1992. Report to Caltrans Region VIII and Imperial Irrigation District. With H. Allen.

"The Alluvial Fan Data Collection and Monitoring Study" 1992. Report to the Flood Control District of Maricopa County, 2 Volumes.

"Bridge Hydraulics Report for Interstate 5 Proposed Highway Widening Project - Aliso and Oso Creeks, Orange County, California" 1992. Report to Caltrans Region IX.

"Hydrologic, Paleoflood, and Geomorphic Analysis of Fossil Creek, Childs, Arizona", 1992. Report to the Arizona Public Service Company.

"The Jordan River Stability Study" 1993. Report to the Salt Lake County Department of Public Works, 3 Volumes.

"State Standard for Identification of and Development Within Sheet Flow Areas", April 1993. Report to the Arizona Department of Water Resources.

"State Standard for Modeling Supercritical Floodways", April 1993. Report to the Arizona Department of Water Resources.

"Bridge Hydraulics Report - Interstate 5 Bridges at Aliso Creek, Oso Creek, and San Fernando Rivers" 1993 Report to Caltrans, Region VIII.

"Flood Insurance Study for Iona Wash, Maricopa County, Arizona" 1993. Report to the Flood Control District of Maricopa County.

"Bridge Hydraulics Report - State Route 30 at Lytle Creek, Rialto California" 1993. Report to Caltrans Region IX, and the San Bernadino County Flood Control District.

"Paleoflood Hydrology: An Assessment Of The Methodology Based On 1993 Flood Data for the Salt And Verde Rivers, Arizona" 1994. Report to the Salt River Project - Hydrology Division.

"Bridge Hydraulics Report - Interstate 10 Bridge at San Gabriel River" 1994. Report to Caltrans, Region IX and Corps of Engineers, LA District.

"Area Master Drainage Study for Clarkdale, Arizona, Yavapai County. 1994. Report to the Flood Control District of Yavapai County.

"Drainage Report for Sky Hi Retreat, Pinetop, Arizona" 1994. Report to the Navajo County Flood Control District.

"Rillito Recharge Project Dam Operations Plan," 1994. Report to the Flood Control District of Maricopa County.

"Rawhide Wash Detention Basin Feasibility Study," 1994. Report to the Rawhide Wash Regional Improvement Committee.

"Drainage Report and Sedimentation Study for Casandro Wash Detention Basin," 1994. Report to Flood Control District of Maricopa County for CH2M HILL.

"A Study to Evaluate Existing Methods for Determining Peak Discharges for Ungaged Watersheds in Arizona," 1995. Report to the Arizona Department of Water Resources and the Arizona State Standards Work Group.

“Conceptual Drainage Report for Scottsdale International Commerce Center, Parcel D (9471) Rezoning Request,” 1995. Report to Larson, Voss Associates for Osborn Management, Scottsdale, Arizona.

“Drainage Report for Mirage Summit Rezoning Request,” 1995. Report to Larson, Voss Associates for Scott Properties, Inc, Scottsdale, Arizona.

“Drainage Report for Walnut Springs Subdivision,” 1995. Report prepared for Flying Circle Properties, Inc. Phoenix, Arizona.

“Sinclair Wash Letter of Map Revision,” 1995. Report prepared for VVC, Ltd., Flagstaff, Arizona. With Frank Brown, McLaughlin-Kmetty Engineers.

“Preliminary Drainage Report for Woodland Village Estates, Flagstaff, Arizona,” 1995. Report to Phoenix Engineers.

“Master Plan Update for Mesquite, Nevada,” 1995. Report prepared for Clark County Regional Flood Control District, Las Vegas, Nevada. With CH2M HILL.

“Wagon Wheel Master Drainage Study - Hydrology Report,” 1995. Report to Navajo County Department of Public Works for Cella Barr Associates. Pinetop, Arizona.

“Stream Stability Study - St. George, Utah - Virgin River, Santa Clara River, and Fort Pierce Wash,” 1996. Report to the City of St. George, Utah.

“NDOT Bridge Scour Report - Geomorphology,” 1996. Report to Nevada Department of Transportation, Carson City, Nevada. With CH2M HILL.

“Arizona Stream Navigability Study for the Upper Salt River,” 1996. Report to the Arizona State Land Department, Phoenix, Arizona. With George V. Sabol Consulting Engineers.

“Tatum Wash Sedimentation Study,” 1996. Report to the Flood Control District of Maricopa County, Phoenix, Arizona.

“Drainage Report for Tusayan Wendy’s Flood Control Plan,” 1996. Report to Grand Canyon Development Company.

“Floodplain Encroachment Analysis for the Pima Mine Road Recharge Project,” 1996. Report to the Central Arizona Water Conservation District, Phoenix, Arizona.

“Sedimentation Analysis for Fort Pierce Wash Near River Road,” 1996. Report to the City of St. George, Utah. With CH2M HILL.

“Drainage Report for Westland,” 1996. Report to the City of Scottsdale, for Benton Robb Development.

“Floodplain Encroachment Analysis for the Winona Assembly of God Church,” 1996. Report to Aspey, Watkins & Diesel. With SWCA Environmental Consultants.

“Historical Drainage Pattern Analysis, Paradise Valley, Arizona,” 1996. Report to H. Woodson, Paradise Valley, Arizona.

“Sedimentation Study and LOMR for Las Piedras Subdivision,” 1996. Report to Federal Emergency Management Agency (FEMA) and the City of Scottsdale, Arizona. With DEI Professional Services.

“Navigability Study for the Lower Salt River - Revised Final Report,” 1996. Report to the Arizona State Land Department, Phoenix, Arizona.

“Hydrologic Investigation for Kaibab Estates, Williams, Arizona,” 1996. Report to Arizona Engineering Company, Flagstaff, Arizona.

“Tatum Wash Sedimentation Study - Final Report,” 1997. Report to the Flood Control District of Maricopa County, Phoenix, Arizona.

“Navigability Study for the Upper Salt River,” 1997. Report to the Arizona State Land Department, Phoenix, Arizona.

“Navigability Study for the Upper Gila and San Francisco Rivers,” 1997. Report to the Arizona State Land Department, Phoenix, Arizona.

“Wet Beaver Creek Stability Study,” 1997. Report to the Yavapai County Flood Control District, Prescott, Arizona.

“Geomorphic Assessment of Silverbow Creek, Butte, Montana,” 1997, Report to Clear Creek Hydrology, Helena, Montana.

“Rose Creek Geomorphic Assessment, Salt Lake County, Utah,” 1997, Report to CH2M HILL, Salt Lake City, Utah.

“Hydrologic Report for the Sedona West Pipeline Project,” Report to CH2M HILL, Phoenix, Arizona.

Public Presentations

Tucson Board of Realtors Continuing Education Series, March, 1989. "High and Dry - A Guide to Flood Plain Management"

Pima County Flood Control District. "HEC-2 Basics" Two training seminar to Pima County Staff. 1989.

Arizona Floodplain Management Association Conference, October, 1991. "The Alluvial Fan Data Collection and Monitoring Study, Maricopa County, Arizona"

Arizona Floodplain Management Association Conference, February, 1992. "HEC-2 Training Seminar - Basic Hydraulics and Model Background"

Arizona Floodplain Management Association Conference, February, 1993. "Summary of Arid West Conference, Las Vegas, 1992"

Arizona Floodplain Management Association - Advanced HEC-2 Training Seminar, May, 1993. "Floodway Modeling Standards for Supercritical Streams"

Arizona Floodplain Management Association Conference, June, 1993. "A State Standard for Development in Sheet Flow Areas."

Arizona Floodplain Management Association Conference, June, 1993. "A State Standard for Floodway Modeling on Supercritical Streams."

Arizona County Engineers Association, August, 1993. "Cost-Effective Methodologies for Assessing Peak Flood Estimates: 1993 Case Studies for Yavapai County"

Arizona Floodplain Management Association Conference, February, 1994. "Applied Geomorphology and Floodplain Management in the Southwest"

CLE International: Arizona Water Law, 2nd Annual Conference, May 1994. "State Ownership of Navigable Watercourses in Arizona" Faculty for Attorney Continuing Education Course.

Arizona Hydrological Society Conference, September, 1994. "A Definition of Navigability for Arizona Streams"

Arizona Floodplain Management Association Conference, June, 1995. "Estimating Peak Discharges on Ungaged Watersheds."

Association of State Flood Plain Managers Conference, May 1996, "Public Ownership of Navigable Streams and Floodplains."

American Society of Civil Engineers Conference, June 1996, "Use of Geomorphic Data for Assessing Stream Stability at Bridge Structures."

Arizona Riparian Council, October 1996, "Introduction to Geomorphology - Training Seminar".

Arizona Department of Water Resources - State Standards Work Group, 1996, "Floodplain Management Training Seminar." Four eight-hour training sessions held in Flagstaff, Tucson, Show Low, and Phoenix, Arizona.

Association of State Flood Plain Managers - Arid West Conference, March 1997, Laughlin, Nevada, "River Stability Study for St. George, Utah."

Stormwater Storage Symposium - Arizona Floodplain Management Association Technical Committee, Scottsdale, Arizona, June 1997 - "Estimating Sediment Storage Requirements for On-Line Detention Basins."

Arizona Floodplain Management Association, October, 1997, Prescott, Arizona, "Wet Beaver Creek Sedimentation Study and Geomorphic Analysis."

Arizona Department of Water Resources, June - July, 1997, Arizona, "Floodplain Management Training - State Standard 2-96." Course Instructor at four training classes.

Arizona Floodplain Management Association, September, 1998, Phoenix, Arizona, "Walker River Restoration Project."

Association of State Flood Plain Managers – National Conference, Portland, Oregon, May 1999, "Geomorphic and Floodplain Evaluation for the Walker River Restoration Project."

Association of State Flood Plain Managers – National Conference, Portland, Oregon, May 1999, “Geomorphic Analysis of Flood Control Structure Design: Vicee Canyon Flood of January 1997, Carson City, Nevada”

Association of State Flood Plain Managers - Arid West Conference, November 1999, Laughlin, Nevada, “Geomorphic Analysis of Flood Control Structure Design: Vicee Canyon Flood of January 1997, Carson City, Nevada.”

Association of State Flood Plain Managers - Arid West Conference, November 1999, Laughlin, Nevada, “Geomorphic and Floodplain Evaluation for the Walker River Restoration Project.”

Arizona State Land Department, March 2000, “Floodplain Management and Environmental Assessment From FEMA, State, and Local Agency Perspective.”

Arizona State University Department of Geology, October 2000, “Consulting Practice in Piedmont Processes.”

Association of State Flood Plain Managers – Arid West Conference, February, 2001, Albuquerque, New Mexico, “Floodplain and Floodway Delineation Using Geomorphology.”

Grace Christian School Kindergarten Class, March 2001, “W is For Water.”

American Society of Civil Engineers, Younger Member Forum, April 2001, “Flood Hazard Assessment Using Geomorphology.”

Arizona State University Department of Geology, October 2002, “Consulting Practice in Piedmont Processes.”

Association of State Flood Plain Managers National Conference, June, 2002, Phoenix, Arizona, “Floodplain and Floodway Delineation Using Non-Traditional Methods.”

Association of State Flood Plain Managers National Conference, June, 2002, Phoenix, Arizona, “Application and Assessment of Engineering and Geomorphic Techniques to Predict Riverine Erosion in the Arid Southwest.”

New Mexico Floodplain Management Association Annual Conference, April 2003, Albuquerque, New Mexico, “Geomorphology for Floodplain Managers.”

Association of State Floodplain Managers – Arid West, November 2004, Mesa, Arizona, “Erosion Hazard Assessment in the Arid West.”

Arizona Floodplain Management Association, May 2005, Safford, Arizona, “January 2005 Flood Report – St. George, Utah.”

Utah Flood and Storm Water Management Association, November 2005, St. George, Utah, “Predicting Riverine Erosion – Santa Clara and Virgin Rivers, St. George, Utah.”

APWA/ASCE – Southern Utah Branch, February 2006, St. George, Utah, “River Management Plans – Santa Clara and Virgin Rivers, Washington County, Utah.

Association of State Floodplain Managers, June 2006, Albuquerque, New Mexico, “Insights on Application of the FEMA Three-Stage Alluvial Fan Delineation Technique.”

Association of State Floodplain Managers, June 2006, Albuquerque, New Mexico, “Development Guidelines and Engineering Analysis of Flood Hazards in Distributary and Sheet Flow Areas.”

Yavapai County Flood Control District, January 2006, Prescott, Arizona, “Erosion Hazard Assessment.”

Grace Community Christian School, January 2006, Tempe, Arizona, “Working in Geology.”

Arizona Geological Society, April 2006, Tucson, Arizona, “Arizona Flood Hazards.”

Arizona State University, Geology 362/598, November 2006, Tempe, Arizona, “Surficial Geology Applications to Real World Problems.”

Professional Technical Training Classes Taught by Jonathan Fuller

- Floodplain Issues in Transportation Design
- State Standard 2-96: Requirement for Floodplain Delineation
- Advanced HEC-RAS Training – Supercritical Floodway Modeling
- Arizona Water Law – Arizona Navigable Streams
- Culvert Hydraulics Design & Review
- Detention/Retention Design & Review
- Encroachment Analysis & Floodway Modeling
- Engineering Assessment of Sand & Gravel Mining Impacts
- Environmental Assessment: Hydrology, Hydraulics & Geomorphology
- Floodplain Analysis for Environmental Assessment
- Floodplain Hydraulics
- Geomorphology for Floodplain Managers
