SIMPLE RULES FOR ORDERING

TO FIND WHAT YOU WANT TO BUY, refer to Brief Index above or to Itemized Index on pages 2 to 16. USE OUR ORDER BLANK, IF YOU HAVE ONE. If you haven't one, use any kind of plain paper. TELL US IN YOUR OWN WAY WHAT YOU WANT, always giving, if possible, the catalog number of each article, the price, and also the size and color, where these are necessary. ENCLOSE IN THE LETTER the proper amount of money in the form of a postoffice money order, which you can buy at the postoffice, or an express money order, which you can buy from any express agent, or a draft, which you can buy at any bank, or you can put the money itself in a letter and take it to the postoffice and tell your postmaster that you want him to register it to us. If you have a checking account Do not fail to give size, color, weight, etc.,

at a bank, you may, if you prefer, send us your personal check. IF YOU LIVE ON A RURAL MAIL ROUTE, just give the letter and the money to the mail carrier and ask him to buy a money order at the postoffice for you and to put it in the envelope with your order and mail it to us. DON'T BE AFRAID YOU WILL MAKE A MISTAKE IN MAKING OUT THE ORDER. We receive hundreds of orders every day from young and old, who never before sent away orders for goods. We are accustomed to handling all kinds of orders. WRITE US IN YOUR OWN WAY, IN ANY LANGUAGE. We have translators who read all languages. Don't worry if you think your writing is poor. We will be able to read it and your goods will be promptly sent, if required, when writing your order.

IF THERE IS ANY OTHER INFORMATION YOU DESIRE, such as methods of shipping, postage, express or freight rates, you will undoubtedly find it by referring to pages 17 and 18 of this catalog.

BOATS AND SUPPLIES. Note—Freight Rate on Boats Is Four Times First Class.

Flat Bottom Fishing Boats.

The best fishing boats made. Absolutely safe, comfortable and easily managed. Made of selected seasoned material by experts. These boats are made for us under contract and are sold by us exclusively. There are several flat bottom boats on the market, but ours are far superior in design, workmanship and material. Keel strip of yellow pine, thoroughly fastened through each cross strip. The gunwale, risers and uprights are of yellow pine or spruce. The floor boards are made of two coats of slate color lead paint; outside with two coats of the best green marine paint. Fittings: One pair copper tipped oars, fitted with our Patent and North River oarlocks. The 14-foot, 15-foot and 16-foot boats are fitted with one pair of oarlocks and two pair of sockets. Shipped from factory in Chicago.

Fit Your Boat With a Motorgo

'THIRTY DAYS' TRIAL—GUARANTEED FOR LIFE

Motorgo Marine Engines have attained a nation wide reputation for their simplicity, reliability and power.

We guarantee the Motorgo Marine Engines to be equal in every way to any marine engine you can buy regardless of make or price.

There are other good marine engines for sale, but none better, and those that are equal to the Motorgo will cost you twice our price.

The material, workmanship, finish and equipment on the Motorgo Marine Engines is high grade in every respect. We defy any manufacturer to produce a better engine any price.

Motorgo Marine Engines develop more than their rated horse power and will give you as much, if not more, speed in your boat than any marine engine of equal rating.

Buy your marine engine where you know you will be treated properly. We live up our guarantee and trial offer to the letter.

What We Guarantee

We guarantee every Motorgo Marine Engine to be absolutely perfect in every respect and to be equal in every way to any marine engine you can buy, material, construction, equipment, power and finish considered. We will replace at any time any part giving out due to defect in material or workmanship. We guarantee that you will be entirely satisfied with your purchase, or if you are not, we will send you back your money and any freight charges you have paid.

Buy a Motorgo Marine Engine in Your Boat Thirty Days at Our Expense

This is no idle offer just to get your order but is a frank statement of the confidence we have in the Motorgo Marine Engines. We only ask that you give the Motorgo a chance to prove its worth to you. Send us your order with the money for the size you want and we will ship the engine immediately. You can pay for it in your boat, try it thirty days before you decide to keep it. If you don't want it, we don't want you to keep it. Compare the engine with others in your neighborhood as to material, construction, power, equipment and finish. If you do not feel that the Motorgo is as good, if not better, than any other marine engine on the market, regardless of price, if you are not perfectly satisfied in every way, you may return the engine and we will send you back every dollar paid out, the price of the engine and freight charges.

What We Furnish With Motorgo Marine Engines

The 2½-horse power engines are equipped with Lunkenheimer mixing valve; the 5, 6, 8 and 12-horse power engines with Schebler carburetor. Each engine is furnished with oiler, grease cups, drain cock for cylinder, priming cups, inspection port, crank case, thrust bearing, upright gear timer and plunger pump (except the 5-horse power, which has lever timer) and the 12-horse power, which has a gear driven pump). Each engine is furnished with spark coil and spark plugs, wiring with terminals, five dry cells with connectors, switch, expansion chamber, 6 feet of shafting, two-blade bronze speed propeller (weedless if desired), bronze stuffing box, one n.o. of cylinder oil, one box of grease and complete book of instructions.

We do not recommend or guarantee these engines for stationary work, as they are designed for use in a boat. If purchased for stationary work we cannot accept their return if they do not prove satisfactory.

Horse Power	Bore, Inches	Stroke, Inches	Speed, R. P. M.	Crank Shaft, Inches	Propeller Shaft, Inches	Propeller			Actual Weight, Pounds	Shipping Weight, Pounds
						Blades	Diameter, Inches	Pitch, Inches		
2½	3¼	3¼	800	1½	¾	2	12	14	110	185
3	3½	3½	800	1½	¾	2	14	20	160	240
5	3¾	3¾	800	1½	¾	2	14	20	200	290
6	3¾	3¾	800	1½	¾	2	14	23	160	255
8	4	4	800	1½	¾	2	15	21	215	325

CHARGED BY MULTIPLE BATTERY.

Moisture Proof, Cannot Short Circuit,
Perfect Ignition

We are at last able to offer you a battery that will give you perfect ignition, preventing ignition troubles almost entirely. We recommend its use with Motorgo Marine Engines. This battery consists of ten dry cells completely covered with paraffin, enclosed in a strong wooden box; special sealing process protects the terminals, holds the connections tight and as the battery is moisture proof, there is absolutely no chance for short circuit. One of these batteries could last you at least a year and will wear from two to five sets of ordinary terminals.

Shipped from factory in Southern Michigan.

No. 11H256 Stand-By Multiple Battery, only. Weight, 25 pounds. Price, **\$4.00**

No. 11H256B Stand-By Multiple Battery with any Motorgo in place of regular type, add to the price of the engine, **\$3.30**

MOTORGEO REVERSE GEAR.

A reverse gear is a great convenience in operating a motor boat, as it gives you perfect control with quick results.

We have been handling this gear for four years and every one sold has proven absolutely reliable. Shipped on thirty days' trial, covered by our binding guarantee, a perfectly reliable reverse gear. We are absolutely sure that you cannot buy a reverse gear that will give you a better service than the Motorgo regardless of make or price.

Shipped from factory in Southern Michigan. Price, **\$12.00**

No. 11H4725 For marine engines from 8 to 15-horse power. Weight, 50 pounds. Price, **\$17.00**

No. 11H4726 For marine engines from 15 to 30-horse power. Weight, 70 pounds. Price, **\$35.00**

No. 11H4727 Couplings for any of the above gears. Price, **\$2.00**

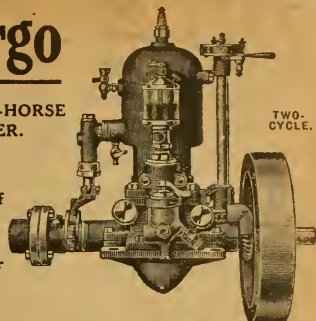

NOTE—In ordering couplings for engine you must be sure and give us size of engine shaft and size of propeller shaft.
