We are closed today due to all the wonderful moisture we are receiving. Reservations are open and on the phone to answer any of your questions. Be careful out there the chances for flash flooding are high. Check in with us later about tomorrow.

Due to the high volume of water expected tomorrow on the Verde River we will again cancel our river operations for safety concerns. Reservations will be on the phones to reschedule any trips disrupted by this epic event. All guides and river runners prepare for an incredible day of boating in the desert.
