DEPARTMENT OF THE INTERIOR  
UNITED STATES RECLAMATION SERVICE

WASHINGTON, D. C. December 7, 1910.

The Honorable.

The Secretary of the Interior.

Sir:

From recent investigations in connection with the Salt River Project, Arizona, the withdrawal of the following described lands, withdrawn under the second and first forms by Departmental orders of July 18, 1908, and March 9, 1908, no longer appears necessary to the interests of the project.

It is therefore respectfully recommended that so much of said Departmental order as relates to the areas hereafter listed be vacated and that such tracts not otherwise withdrawn, reserved, or appropriated be restored to the public domain and become subject to settlement and entry on such dates and after such notice as the Secretary of the Interior may prescribe.
