**To:** Jeff Heilman; Mark A. McGinnis  
**Subject:** Boolean strings and some archive sources  
**Attachments:** SaltRiverBooleanStrings.rtf

**Importance:** High

Jeff - here are some of the boolean strings I used - did not save all of them but I think this covers most. Also I have added from my list of online archival sources - not much new there and again only those I saved.

Do let me know if there are any questions. Regards to all, Cheers, Mark
