Exploration of Salt River Canyon.

A party of five men, including William Burch, John Meadows and Lew Robinson, started in a boat from near Eddy's ranch, yesterday morning, to explore Salt river canyon, said to be about 60 miles long and through which a boat was never known to pass. The rapids with numerous projecting boulders make the trip a hazardous one, but the party have a staunch craft, 18 feet long by five feet wide, and are confident of accomplishing the passage of the cañon without any mishaps. The object of the trip is to ascertain if logs could be floated through the cañon. If practical, Mr. Burch intends erecting a saw mill at the foot of the Sierra Anchas and floating the logs down the river to Phoenix.—*Silver Belt.* *
