Fair Sized Crowd Representing Arizona's Quota From the Keystone State Met at Eastlake Park for Picnic

On account of the inclemency of the weather the outing of the Pennsylvania society held at Eastlake park yesterday afternoon was not largely attended. It was, however, an enjoyable event for those participating, who witnessed the athletic contests, swapped storics of the Keystone state, and of their friends and acquaintances "back east," listened to the speeches and enjoyed themselves much after the fashion of all people to whom an outing is a rather rare

The speakers were General Wilson, of Tucson, and Gov. Hunt. They both recited to some extent the history of the Keystone state, paid tributes to ts wealth and the high character of its citizenship, and drew a lesson from the events of which its history is made us. Also there was a poem recited by Mrs. Andrew

## Don't Give Up!

Here Is Help!

If you, like the great multitude of women, suffer from the ailments peculiar to your system, don't give up! There are thousands, whose condition, no doubt, was worse than yours, but who have been relieved by the use of Cardui, the woman's tonic.

Read the following letter from Mrs. Ida Conner, of Copper Hill, Va. It contains words of encouragement for you:

"For many years, I had to stay in bed, sick with" bearing-down pains, and pain in my side.

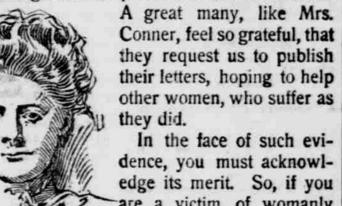

I had given up all hopes of ever getting well, because numerous medicines, which I took at different times, gave me no relief, nor anything else that anybody told me to try.

Finally, I began to take Cardui, the woman's tonic, three times a day. After a few doses, the pain in my side grew less, then quit, and it hasn't come back since. I feel like a new person now, and cannot help but

recommend such a good medicine.

Cardui is simply wonderful, and it's a pleasure to write about the benefit received from its use.".

Thousands of enthusiastic ladies have written similar letters, telling of the help Cardui has been to them-

In the face of such evidence, you must acknowledge its merit. So, if you are a victim of womanly trouble, or if you just feel weak, tired, nervous, wornout, we urge you to give Cardui, the woman's tonic, a trial. At all druggists.
