FISHING IS GOOD.

A five nound carp measuring just twenty-two inches long is not such a had fish to be caught in the Salt River at this point. That same fish was caught yesterday by William Goodwin but not on it only is fishing reported as good in the river. Thirty pounds, fish of both carp and cat variety, were caught by Mr. Goodwin a few days ago, in just a little over an hour. He has become a real enthusiast over fishing in the river here and puts it beyond a Tempeite to go to the coast to fish when they can get results enough to satisfy the most greedy fisherman right at home.

RASH COVERED FACE **NECK AND CHEST**

Affected by Poison Oak. Itched Until Nearly Crazy. Had to Walk Floor At Night. Cuticura Soap and Ointment Cured.

Dryden, Ore. - "Traveling through the woods one day I was looking at and handling a little vine. When I got home I felt au itching and burning and the first thing I knew my face was all swollen up. The poison oak affected my face, hands, arms and chest and it disfigured me very much. TO THE NEWS OF THE DAY My face and neck were broken out and itched until I was) nearly crazy. I had to walk the floor at night and lost much sleep and work also. My face, neck and chest were covered with a heavy rash. I could not allow clothing of any kind to

touch the affected parts. "I was told that - and relieve me but I got no relief. I used other remedies without success. It got to such a stage that if I hadn't gotten relief soon I would certainly have lost my mind. My mother happened to have a cake of Cuticura Soap and a box of Cuticura Ointment in the house and I washed with the Cuticura Soap freely and then applied the Cutlcura Ointment. I got relief at the first application and then I slept like a child. In three weeks I was perfectly cured." (Signed) E. H.

DeGrasse, Mar. 28, 1913. Cuticura Soap (25c.) and Cuticura Ointment (50c.) are sold throughout the world. A single set is often sufficient when all else has failed. Liberal sample of each mailed free, with 32-p. Skin Book. Address postcard "Cuticura, Dept. T, Boston."
