## LARGE CATFISH

0

So many stories of large catfish being caught in Salt river have been going around lately, some of the fish weighing from 6 po 35 pounds each, that Pinney & Robinson have decided to offer . a time jointed steel fish rod for the largest catfish caught between nov. and June 1. The fish must be brought to their store at 17 South Central avenue, where they will be measured and weighed: after which they may be taken away. The fish must be alive or give evidence of having just been caught. No use filling the fish with buckshot, as that is an old game. A record will be kept of the fish as they are brought in-
