Re: Salt River Project's Submission of Salt River Evidence
(Case No. 03-005 and 04-008-NAV) (consolidated)

Dear George:

Enclosed are seven hard copies and a disk containing a .pdf electronic version of Douglas Littlefield's Declaration of the Non-Navigability of the Salt River at and Prior to Arizona's Statehood on February 14, 1912, submitted on behalf of the Salt River Project Agricultural Improvement and Power District and Salt River Valley Water Users' Association in the above-referenced matter.

Let me know if you are unable to open the electronic files or need anything else.

Very truly yours,

Salmon, Lewis & Weldon, P.L.C.
