Whitewater Rafting

Arizona Style

Sun Country Rafting

Sun Country Rafting welcomes you to the enchanted rivers of the Southwest. Arizona's desert rivers, the Upper Salt, the Verde and Gila rivers are all home to Sun Country Rafting. We offer the earliest whitewater in North America, starting as early as February in the beautiful Upper Salt River Canyon.

Our goal is to provide a safe experience that will fulfill your highest expectations for excitement, education, relaxation and just plain fun.

Our guides have years of whitewater experience as well as an incredible wealth of knowledge covering geology, history and folklore.

The most important part of our business is you. We would like to invite you to come and play, relax and enjoy some fun times on the untamed rivers of the Southwest.

Feel the Excitement!

An Arizona whitewater tour with Sun Country Rafting gives you a backcountry adventure that ranges from mild to wild, from merely beautiful to incredibly beautiful, from too much fun to the most fun ever. Experience part of Arizona where few have gone before.

ENVIRONMENTAL COMMITMENT

"Take only pictures, leave only footprints" is a motto that we live by on our Arizona rivers. We have an active recycling program on all of our river tours. We practice "no trace" camping and are very dedicated to "minimal impact". Dedication to our natural resource allows many guests to enjoy nature at its finest.

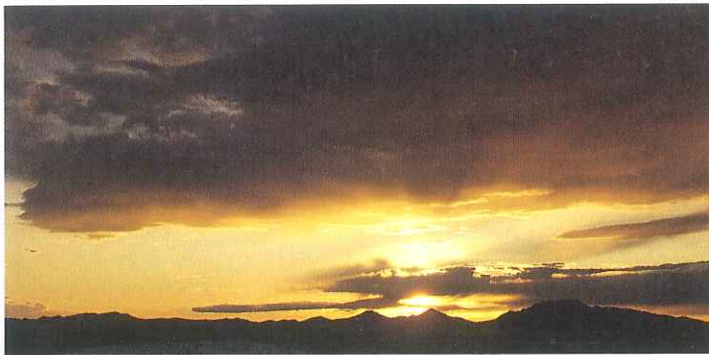

THE BEST TIME TO GO

The best time to go is whenever you can make the time. Weekdays tend to be less busy than weekends. Sunday has generally less people than Saturday. Weather will probably be warmer in the later part of the season, and water is usually bigger in the earlier part of the season.

WHO CAN GO

We design our tours so the entire family can join in. You will find rafters of all ages and various levels of experience on all of our tours. If you are below 50 pounds or have a girth larger than 52" and 260 pounds please call our office.

Pile or wool clothing is nice for in camp, under splash tops, or for a ride home during wet and/or cold conditions (cotton fabrics will not keep you warm when wet). Sun Country Rafting will make every effort to run tours as scheduled. We do reserve the right to cancel tours due to occurrences beyond our control such as insufficient reservations, extremely high or low water conditions or dangerous weather. Tours generally run rain or shine so cancellations are rare. If we must cancel, we will give you the option of rescheduling your trip or choice of a full refund.

You may make reservations by telephone or FAX. Office hours are Monday through Friday 9:00 a.m. to 4:00 p.m. A deposit of 50% is required when making your reservations. Upon receipt of payment we will send you the information packet which details the tour including itinerary, packing list, and accommodation suggestions.

TIPPING

It is customary upon receiving a good trip, to tip the river crew. It is an acknowledgment that you appreciate the hard work they did to provide you with a safe and enjoyable experience. If you feel that a tip is in order, the average runs between 7-10% of your trip fare. You may leave it with the trip leader and he/she will distribute it among the crew.

CANCELLATION POLICY
