Besides the scalding hot centipedes, we also saw these deer, and just after that, a mountain lion. And beaver, turtles, black hawks, eagles, tons of song birds. Pretty amazing. — with Kate Fuller and Sam Fuller.

Jon Fuller Hi, Elaine. We're back home today. Kate was picking us up yesterday when she had her adventure. I was paddling my canoe & Sam was in the kayak. We were on the river Thurs-Fri when we saw these three deer.
