CANOE ANATOMY

Discovery 169

At nearly 17 feet, the Discovery 169 is the longest in the Discovery series. Designed to go long distances, the Discovery 169 performs efficiently even when it is loaded with gear. The three layer construction is designed to take a beating. The Discovery 169 is a great choice for the recreational paddlers who may aspire to go longer distances or may need additional room and load capacity.
